The following information is provided in accordance with the *Clery Act* and in Compliance with regulations of the U.S Education Department.

This report relies on information received from both the Wallingford and East Hartford Police Departments (as requested) in the form of an *Incident Analysis report(s)*.

These reports will be distributed to all students and employees, and will be posted in the school lunchroom as well as on the school website:

Attached is the 2018 Campus Safety and Security Survey Data, which was submitted to the U.S. Education Department on 9/25/18.

I am happy to report that the East Hartford campus, had no crimes that meet the definition of the *Clery Act* that were reported by victims, perpetrators or witnesses at this location. The Wallingford campus only had one incident to report.
